Trump Is President-Elect—What Now? Building the Movement for Social Change

Featured Speaker: Gloria La Riva, 2016 Peace and Freedom Party candidate for U.S. president

We have just lived through a corrupt, anti-human and disgusting election. Both Democratic and Republican politicians have voted to spend trillions on war and bank bailouts while doing little for the tens of millions of people who have lost their jobs and homes.

Join us for an introduction to the Peace and Freedom Party and an analysis and discussion of the election, the La Riva/Banks socialist campaign, and what is needed now to build the movement for socialism and the struggle for justice.

Sunday, November 20, 5-7 p.m.

San José Peace & Justice Center, 48 S Seventh Street

\$3-5 donation requested (\$7-10 food included), no one turned away for lack of funds. Wheelchair accessible.

Peace & Freedom Party, Santa Clara | 408-829-9506
